6. We regularly monitor our risks in this area through the use of relevant key performance indicators, including:
 - The percentage of suppliers who sign up to an appropriate code / provide their own modern slavery statements,
 - The percentage of candidates supplied from audited businesses / our preferred supplier list,
 - The effectiveness of enforcement against suppliers who breach policies,

- The amount of time spent on audits, re-audits, spot checks, and related due diligence, and
 - The level of modern slavery training and awareness amongst our staff.
7. As part of our efforts in this area, we publish a modern slavery statement on an annual basis.
 8. We would also recommend reading this in conjunction with our other policies, including our:
 - Corporate social responsibility policy,
